

BVA Hip & Elbow Scoring at Moy Vets

We are pleased to advise that from 12th April we are now able to resume Hip and Elbow scoring under the BVA scheme.

We can understand the frustration that many breeders have experienced whilst waiting to have dogs x-rayed and subsequently, to receive the scores back. Your patience and understanding has been greatly appreciated.

As you may be aware during this past year when we have been unable to offer this service, we have been keeping a waiting list. This waiting list is ongoing and being dealt with in chronological order. We have started to contact people on the waiting list to offer appointments.
